ABOUT US

Bishnu Steel is a visionary stainless steel tube manufacturing company located in Khordha, Barunai Industrial unit known for its commitment to excellence and innovation. With a daily production capacity of 10 tons, our state-of-the-art manufacturing unit is equipped with imported machinery, ensuring precision, efficiency, high-quality output and finishes.

We understand the importance of design and finishes in the stainless-steel tube industry. Our dedicated team work tirelessly to create innovative designs that meet the evolving needs of our customers. We offer a wide range of sizes, catering to various industries such as home decor, furniture, kitchenware, automobile and ancillaries and fabrication.

Vision: "Our vision is to become a leading stainless-steel tube manufacturer in India, recognized for our unparalleled robustness, durability, and uncompromising quality."

Mission: "Our mission is to expand our domestic presence across diverse markets in India over the next five years, offering cutting-edge innovative designs and finishes. We aim to be the preferred supplier and trusted partner in the stainless-steel tube industry, reaching 50,000 enterprises and 5 million households."

With our commitment to design, sustainability, durability, performance, and integration with emerging technologies, Bishnu Steel will be poised to be a leading name in the stainless-steel tube industry. We envision a future where our products continue to shape industries, create inspiring spaces, and contribute to a sustainable and prosperous world.

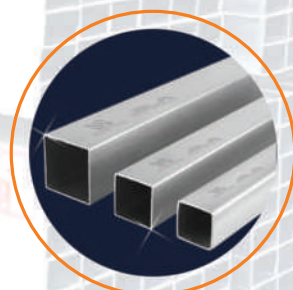

PRODUCT

ROUND PIPE

RECTANGULAR PIPE

SQUARE PIPE

Stainless steel welded tubes are available in various shapes and sizes, including rectangular, square, and round pipes. These tubes are categorized based on their outer diameter, thickness, steel grade, specification, length, and application in home decor and furniture. Some common material grades used in these tubes include 304/304L, 316/316L, 316Ti, and 202.

We also offer an exquisite finishing to the welded tubes that includes,

► **Mirror Finish** Highly reflective and aesthetically pleasing ► **Satin Finish** A smooth, brushed appearance ► **Custom Finishes** Tailored to your specifications.
